

# LEN CARBY

Candidate for Mississauga-Erin Mills

**Conservative Party of Canada**

Len Carby is a seasoned Financial Service Professional with over a decade of expertise in financial planning for professionals and business owners at IG Wealth Management. With over 20 years of dedicated community service background, Len is committed to leveraging his experience to lead with practical and innovative social solutions.

Recognizing the unique challenges and opportunities in the Region of Peel, Len is determined to contribute to its growth and success. His vision is centred on introducing fresh ideas to transform the region into a caring, inclusive, and welcoming community for its diverse residents.

Len actively serves on the Peel Regional Police (PRP) Service Board, advocating for the community's safety and well-being. He also sits on the Board of Governors and the Community Investment Committee of the United Way Greater Toronto (UWGT), where he provides a strategic voice to solutions that address poverty and social imbalances.

Human rights and systemic inequities have fueled Len's previous work as the co-chair of the Anti-Racism Advisory Committee for the Peel Regional Police and Ontario Human Rights Commission. The leadership of Mississauga called upon Mr. Carby to participate in the Mississauga Mayor's Black Caucus Alliance and the Peel Regional Police Community Advisory Council, providing collaborative insight on improving police service and community engagement.

Len's engagement in the community extends to education and the specific impact of inequities on people of African descent. The Peel District School Board-We Rise Together Committee and the United Way Greater Toronto sought his voice in designing solutions that would positively change system outcomes for equity-deserving groups. Nationally, Len Carby co-founded the Federation of Black Canadians, an initiative that partners with individuals and organizations to advance the interests of Black Canadians.

Len Carby is an experienced advocate for business growth, social well-being, and accountability. With the support of his wife, Vanessa, and rooted in an active Christian faith life, Len seeks your support in shaping a brighter future for the Region he has called home for over two decades.
